

## § 80.37

(e) The agency must receive and account for the State funds as license revenue.

(f) The agency must issue licenses in the license holder's name or by using a unique identifier that is traceable to the license holder, who must be verifiable in State records.

(g) The license fees must meet all other requirements of 50 CFR 80.

### **§ 80.37 What must an agency do if it becomes aware of errors in its certified license data?**

A State fish and wildlife agency must submit revised certified data on paid license holders within 90 days after it becomes aware of errors in its certified data. The State may become ineligible to participate in the benefits of the relevant Act if it becomes aware of errors in its certified data and does not resubmit accurate certified data within 90 days.

### **§ 80.38 May the Service recalculate an apportionment if an agency submits revised data?**

The Service may recalculate an apportionment of funds based on revised certified license data under the following conditions:

(a) If the Service receives revised certified data for a pending apportionment before the Director approves the final apportionment, the Service may recalculate the pending apportionment.

(b) If the Service receives revised certified data for an apportionment after the Director has approved the final version of that apportionment, the Service may recalculate the final apportionment only if it would not reduce funds to other State fish and wildlife agencies.

### **§ 80.39 May the Director correct a Service error in apportioning funds?**

Yes. The Director may correct any error that the Service makes in apportioning funds.

## 50 CFR Ch. I (10–1–15 Edition)
